1. RATIONAL

The Active Ageing Awards is a celebration of a lot of work, effort and dedication in the sector of Active Ageing. This celebration is an annual event and is part of the celebrations held in October, the month dedicated for older adults. This year the awards will include nominations for the following 6 categories: Active Ageing Award, Innovation and Technology in Active Ageing Award, Cultural Award, Sports Active Ageing Award, Volunteering Award in Active Ageing and Intergenerational Solidarity Award.

2. AIM

The aim of these awards is to celebrate the achievements of individuals and organizations that support the concept of Active Ageing. The Government's duty is to express its appreciation to all who are working for a more inclusive society, where older people and their families have access to a range of more inclusive communities that encourage independent living. The guiding principle of this award is to have more inclusive communities where older people take an active part in the community.
